presentation

practical example

Bregenz

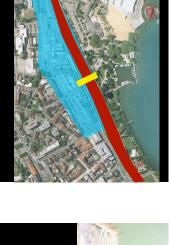

public discussic

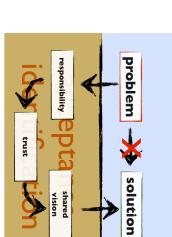

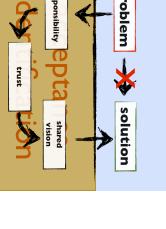

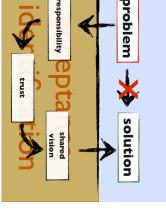

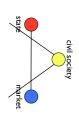

from consumers to **citizens** 

A new culture of **To Citizens** engagement, trust and collaboration

Regional and municipal units are rather capable than the national state to support civil society, selforganization and solidarity.

Prof. Dr. Helmut Kramer

# crucial questions

- time ripe for co-operation?
- ready for open processes? real interest to let people participate?

lower costs

higher acceptance and identification

 better solutions benefits
