

Glasgow City Test Site

Professional capacity building workshops

Tuesday 13 April 2010

Workshop 3: Tools to integrate
health and planning

Glasgow's vision for this
test site:

Planning can be more about
people

Where health and planning
meet:

Placemaking

Workshop series

1. Introduction to health + planning
2. What makes a quality place
3. Tools to integrate health + planning
4. Community engagement
5. Creating opportunities for joint working

Today's schedule

- Three presentations on tools
- Site visits (three areas)
- Lunch
- Applying the tools
- Feedback and discussion
